MARCH 2021 Newsletter

President's Corner

Greetings Quilters,

Sadly, Covid has touched Bayside in a way we hoped and prayed it never would. It has taken our friend and Sunshine Chair, Ann Bishop. Please keep Ann's family in your prayers and pray, too, that we see the other side of this pandemic very soon.

Debbie Brobst has graciously volunteered chair "Sunshine" for us. Thank you, Debbie!

It was a year ago this month that we had our last Bayside meeting, and I remember us talking about how it would likely be the last one for a while, never dreaming a year would pass and we would still not be meeting in person. For me, March 12 is seared in my memory as the day I took my last Bayside class, the last time I sewed with friends, and the last time I dined in a restaurant before everything locked down. (Ironically, my second Covid vaccination is scheduled for March 12.) But, as many of us are slowly getting our first and second vaccinations, there is hope that we may soon safely resume some level of in person activity.

On a happier note, National Quilting Day is Saturday, March 20. Celebrate by hanging a quilt outside, sewing all day, or just doing whatever makes you feel good on the day the world celebrates this art form we love so much.

Stay safe and warm, and do join us for our upcoming virtual events, Candy Stiffler in March and Kay Butler and Kathy Spence in April. Nita Brayton will be emailing Zoom invitations to you for them.

Editor's Comments

Bayside in person activities continue to be on hold until next July 2021, but we are now offering some virtual activities. We will be doing virtual membership meetings via Zoom, and we are partnering with FACES on a virtual class.

Please send pictures of your work or you bee's activities for our virtual "Show & Tell" pages. If you send pictures to Kay Butler, she can post them to our Facebook page.

Stay at Home! Stay Safe! Stay Well!

Policy on Bayside Events

The Bayside Board's policy going forward is that all Bayside in person activities are cancelled for the foreseeable future subject to the EVFD and state policies. We will keep you posted as things evolve.

The Bayside Board also decided that anyone who has paid for a class that was cancelled will receive credit for a future class when we are able to reschedule.

We all hope we can get together safely soon.

Bayside Board Meeting Minutes February 1, 2021

In attendance: Jan Bohn, Anita Brayton, Dael Cowdrey, Chris Dorset, Alice Kish, Sharon Miller, Lisa Schrober

President Sharon Miller called the meeting to order at 9:31am.

Chris Dorset received an email from a new member, Katy Cooper, which voiced concerns about Bayside emailing the Treasurer's reports through email. Katy felt we were vulnerable to hacking. She raised other concerns. She told Chris that she could re-write our by-laws so that we, the Board, could not be sued – worth following up. After a thorough discussion, it was decided to ask Katy to participate in a Zoom meeting with the Board where her concerns could be better understood. Chris will set that up.

Another concern was Directors and Officers Insurance – do we need this? It has been considered in the past but not acted upon. After discussion a motion was made and unanimously accepted that Lisa Schrober, co-Treasurer, would contact our insurer and purchase a D & O policy for \$500K not to exceed a \$450.00 yearly premium.

Sharon told us that Monica Agapaloglou does not wish to continue as our website guru. Sharon will ask for volunteers in the newsletter and send out a separate email. She will ask Monica for statistics about the website's usage and would Monica consider keeping it afloat until we decide if we want to keep in going (renewal is in February) or we get a new web-master. We do have a Facebook page that Kay Butler is monitoring.

Anita gave us the March – May programs:

March – a lecture by Candy Stiffler

March (FACES)– a class by Mary Mahoney assisted by Victoria McConnell

April – a lecture by Kay Butler and Cathy Spence

After much enjoyable chitchat the meeting was adjourned at 10:22am.

Respectfully submitted, Jan Bohn, Secretary

BAYSIDE BOARD MEETING MINUTES FEBRUARY 15, 2021

In Attendance: Jan Bohn, Anita Brayton, Katy Cooper, Dael Cowdry, Kris Dorset, Alice Kish, Sharon Miller, Lisa Schober, Jo Verne

The meeting was called to order at 9:41AM by President, Sharon Miller. She welcomed the Board and Katy Cooper. She thanked Katy for generously offering her legal expertise in looking over our documents and offering advice.

Katy went through our Articles of Incorporation, our By-Laws and our Operating Procedures and pointed out areas that she felt we could improve language and fix typos.

Our Articles of Incorporation has several typos although it appeared that several were not apparent on other members' copies, only on Katy's – could be a printer problem. The one definite error was on page 4, 11th article, where the word 'stockholders' should be 'members. Changes to Articles of Incorporation can be costly; it is probably not worth it to change one word.

Most of the improvements centered on language that did not permit us to hold meetings or votes unless we had in-person meetings. She suggested we modify the language to add "in the case of exigent circumstances, e.g., national or state declared emergencies, pandemics, hurricanes, meetings can be suspended, held by telecommunications or other means". Also add that every member has one vote that can be cast by email or teleconference.

BAYSIDE QUILT GUILD BOARD MEETING
FEBRUARY 15, 2021

There is no provision for Co-Treasurers. It was decided that Lisa Schrober will be the Treasurer and Dael Cowdrey will be the Assistant Treasurer. Lisa will have the voting right.

She also suggested we clarify that our Board be composed of seven members but not less than three members but always an odd number so that there will not be a tie vote. The same is suggested for Officers.

If we wish we can have a State Trademark for our logo for about \$50.00. A motion was made that we do not trademark our logo, was seconded and unanimously approved.

Another suggestion was that we cease emailing the Treasurer's report to members as it left us open to hacking. Giving the Treasurer's report orally at the meeting, in person or Zoom was much safer. After discussion it was decided to let the membership know why this decision was made, give the Treasurer's report orally at the meeting (of whatever sort) and offer to snail mail a hard copy to anyone who would like one on condition that it would be destroyed after receipt.

The By-laws also state that a newsletter will be mailed to all members, that will be changed to allow emailing.

Katy said amending the Articles of Incorporation can be expensive, but Sharon pointed out the By-laws can be amended by the Board. Katy noted some provisions in the Operating Procedures should be in the by-laws, such as members voting on dues.

It was moved and approved that Sharon will make the recommended changes to the by-laws.

It was moved and approved to not trademark the logo.

Sharon thanked Katy for her input and Katy left the meeting.

Dael brought us up to date on Reach Out Checks she's received and where they should go. She's sent receipts and tax donation letters.

Anita said she's PROGRAMED OUT! Any ideas we have for programs please let her know. Lisa suggested talking to people at the thread companies – Aurifil, Wonderfil, Superior Thread.

Chris saw Vincent, from the Easton Firehouse, who told her when the Firehouse reopened, they'd be happy to have us back. There's a new Board to deal with. Sharon will contact Carol Prettyman and see what's up.

The meeting was adjourned at 10:46AM

Respectfully submitted, Jan Bohn, Secretary

The History of National Quilting Day

In 1989, the Kentucky Heritage Quilt Society organized a “Quilters’ Day Out” on the third Saturday of March to celebrate the rich tradition of quilting in Kentucky. In 1991, National Quilting Association officers were so enthused with the concept and success of “Quilters’ Day Out” that they voted to take it to a national level.

The first National Quilting Day was observed in 1992 and since then it has grown into a global celebration for all quilters and quilt lovers. Helen Storbeck, one of the founders of National Quilting Day, wrote in *The Quilting Quarterly*, “Groups of quilters were encouraged to hold special events, publishers and shop owners were invited to sponsor promotions especially for quilters and it quickly became a grassroots endeavor with quilters in every part of the country participating. In the first year of National Quilting Day, quilters in other countries asked to participate. They were welcomed with open arms. As our feelings of a community network has evolved to include a world community, it is only appropriate that quilters and quilt lovers everywhere united to give recognition to the special art form.”

Invitation to Workshops

Lyric Montgomery Kinard and Sue Bleiweiss have compiled a huge list and introduction videos to every type of teacher/speaker in the quilt world. I have watched many of the presentations produced by Global Quilt Connections (GQC). When I say huge I'm talking about HUGE. I was going to print the list in our newsletter or in a separate email. The spreadsheet list of "Art Quilting" teachers was 35 pages.

Therefore, I urge you to explore the website and take a look at who you might find interesting. Some instructors offer classes that individuals can take with other individual quilters. Some are short, one day or afternoon, some are weeks long. Some are only available to guilds. This would be a great opportunity to start a Bee. For example, the Art Bee could take a class as a group. A new bee could be about Modern quilting.

I'm taking the Mary Mahoney "Create a Portrait" live class on March 4. A "live" on-line class will be a new experience for me. That's what quilting is all about, learning about new techniques, tools, and people.

The website is globalquiltconnection.com. This month they are featuring Mel Beach, Lyric Montgomery Kinard and Sue Bleiweiss.

Zoom into 2021 Tips for Using It from a Mac User

Since upcoming meetings will be held using the Zoom app, I am leaving these tips in again this month. Start by downloading the app, zoom.us. On an Apple device it can be found in the Apple/App store. Androids, PCs have something similar. You will receive an email a few days before our meetings with a link. Click on the link and follow the prompts. You will want to sign-on using video and audio. You'll be in a "waiting room" until given access. Please acquaint yourself with the functions within the app such as Mute, Raise hand, Chat, Speaker/Shared screen toggle.

All attendees will be muted. This helps everyone to hear what's being said by the speaker. When it's your turn to speak during announcements or show and tell you need to Unmute yourself. Don't forget to Mute when you're done. If you have a question or comment use the Raise Your Hand. It's a much better experience if one person at a time is unmuted. If you have problems call me at 410-725-4323 and I'll try to help.

This is a learning experience for all of us. Hope to see you on future zooms.-Nita B

The Londonderry Quilt

by Clare Kettell

Back in 1996/97 when Bayside Quilters met at Londonderry, some of us decided to make and present a quilt to the facility . It was called "Everyone needs a Goose" & was blocks of separate geese bordered by the flying geese design and hung in the dining room there for many years. After a redecorating at Londonderry, it was taken down & somehow mysteriously disappeared, none of us knowing it's whereabouts.

About a year ago, one of the members of the board at Londonderry, associating me with quilting, came to my door with the missing quilt & asked if I wanted it. It had been stored in her attic for years. Gloria Gibson took pictures of it & passed the story around to the BSQ group who tried to decide what to do with it. Nothing was ever decided & the quilt had languished in my closet since then.

One day last week my very good friend, Don Goodliffe & I were at my house killing "Covid time", looking for something to do & I pulled out the quilt to show to him. He had been wanting to find something large for a blank wall in his 2nd bedroom & had recently made an inquiry to one of my quilting friends about making one for him since I don't quilt anymore. (I have a problem with my hand.) Don has an extensive waterfowl collection at his home. He fell In love with the Londonderry quilt on sight, especially liking the fact that I had helped make it & asked if he could buy it. What a shock! I took action, called several quilting friends & Sharon Miller, our president, to discuss that possibility. It was decided that Don would make a generous contribution to BSQ, it would be a good fit, and would again live at Londonderry happily ever after where it had originally been.

**“Quarantine Quilting”
How one quilter survived during the pandemic**

Our very own Candy Stiffler, owner of the Quilt Vine shop, will be our guest speaker this month. She’s already done Face Book and You Tube videos on a variety of quilting methods. There will be plenty of examples of how she survived and hopefully, thrived. We could all use some uplifting words right now.

**"Red and Green Quilts of the Past"
Cathy Spence and Kay Butler**

Cathy collects but doesn't make quilts. She is also a graduate of the Coverlet College in Pennsylvania. Kay makes them, collects them and teaches how to create them. The two of them have amassed a wealth of knowledge that they will share with us. Baysiders will have a front row seat for their presentation via Zoom. Whether you are a modern, contemporary, traditional or simply admire the art of quilting you will probably enjoy this program.

Gemstone Bling – Mar 24, 2021, 11 am. – 3 p.m. EST via video conference in the safety of your own home

Create your sparkling 17" gem using freezer paper templates – NOT paper piecing. This is a fun and forgiving technique. Your quilt will shine with brilliance and look complex; only you will know how easy it is to achieve. Free setting patterns available.

This virtual class features a mix of my instruction, slides, and professional video of the designer, MJ Kinman, explaining each of the construction techniques. Because of the interactive video and audio capabilities, I can review the work of each participant and provide helpful hints and feedback. See more info at: <https://soquilts.com/piecing-classes/>

Pattern required – purchase pattern and optional fabric bundles at <https://soquilts.square.site/s/shop>. **Save 20% off January Garnet bundle!** BOM option available.

MARCH OUTREACH NEWS

Despite the bad weather in February, Outreach had a very busy month!

There's the Reach Out event, which was quite successful! Then Chris was at home receiving and handing out projects every Tuesday but one (due to the weather). We had a very nice donation of fabric from a cat and dog free home. One of our members has gotten some fabric from it for Outreach projects. If anyone is needing pet free fabric, please let Chris know. We'll try and get some kits made from that fabric.

We also have someone who has a pet free home, making kits from her stash. Outreach has started making and marking kits that have pet free materials. Outreach has recently purchased some children's fabrics for the Super Nine Patch quilts. Even though it will be cut in Chris' house, she has wiped down all of her tools and cutting surfaces with vinegar/water and immediately put the kits into plastic bags. Outreach has gotten some more new top kits cut and are ready to go.

Stop by Aggravation Acres, and pick up something to do. We're trying really hard to find something for the ladies who are allergic to cats and dogs to do so you can join in the fun. It's also a big help if you let Chris know in advance what you'd like to work on, so she can have it ready for you to pick up.

Happy sewing...

Dear Ms. Dorset,

On behalf of Talbot County Early Head Start Program, we would like to thank you for your recent donation of the quilts for our families. It is only through generous contributions from community members like Bayside Quilters of the Eastern Shore that many of these needs for our families and our center can be met. On behalf of our Center, we sincerely thank you again for your recent donation. Your generosity is truly appreciated by our program and the families of Talbot County.

Thank you for your contribution and for continued support through these trying times.

Sincerely,

Dorina Baynard
Office Clerk

To the Bayside Quilters,

A big thank you to all of you for your beautiful quilts and pillows for our veterans (and for the Hospice House)! As Brenda mentioned, the Talbot Hospice staff has been presenting the quilts and pillows to our veteran patients during COVID. Sadly, we are not able to offer our Veteran Recognition ceremonies which are quite meaningful to all involved.

We are so lucky to have the support and talents of this group! We appreciate all of the time and work that you have put into the many, many, many quilts, pillows and banners that you have provided over the years to Talbot Hospice, our patients and their families.

Thanks again and be well!

Dear Mr. Dorset,
On behalf of the Neighborhood Service Center, Inc. ("NSC"), thank you for your donation of food on February 12, 2021.

As you know, the Neighborhood Service Center provides a wide range of services and assistance to individuals who reside in Talbot County and, especially, to those who do not qualify for state and federally funded programs. With your support, we hope to see continual improvements in the quality of life for those individuals who are experiencing difficulties.

We are most appreciative of this appropriation and are grateful to have your support of the local low-income population. We hope to continue to be worthy of support.

Yours in service,

PET FREE ZONE!

Outreach is starting something new. PET FREE ZONE! I have cats and a dog and I know that some of you are VERY sensitive to pet hair. I have a couple of ladies who are reducing their stash that do not have and have never had cats or dogs in their homes. They will be making simple quilt top kits to sew. They will bag them in their own homes so we don't take a chance of contaminating the material.

Since I have 3 cats and 1 dog, here's what I've done.

1. Material straight from JoAnn's, kept in plastic bags, put in clean tote.
2. Batting never opened.
3. All of my cutting surfaces, mats, tools, table, etc. have been cleaned with vinegar and water, floor vacuumed.
4. Material cut on cleaned surfaces.
5. Directions straight off the printer with new paper.
6. New plastic bags.
7. Complete kits stored in clean tote.

I hope this helps Outreach be more accessible to those with allergies. And just a reminder, no fragrances, such as perfume, hand lotion, scented spray starch, scented laundry detergent, scented dryer sheets, air fresheners.

If you have a pet free home and have too much stash, would you consider making up kits to give to others to sew the tops together? Many thanks!

I'll be home every Tuesday, each month, from 9:30 AM to 4 PM, 11482 Kitty's Corner Rd., Cordova. We have a variety of quilt kits to make as well as some handwork. Come take a new project and have some fun. All are easy.
