SEPTEMBER 2022 Newsletter

President's Corner

Greetings Bayside Quilters,

When I retired and joined Bayside Quilters just a few years ago, I was eager to spend more time with other quilters. It wasn't the best timing--the pandemic interrupted most guild activities and opportunities to forge new relationships. While I am very pleased to take on the President's responsibilities this next year, I will need the good counsel of folks who have been members for years. I look to all of you to help me navigate my new position.

Thank you to Sharon Miller and all of last year's officers who worked so successfully to rebuild our programs and events over the past year. Although I could not attend the August meeting (I was deep in the jungles of Guadalcanal in the South Pacific), by all accounts it was a great sendoff to that talented team. The 30 Year Challenge quilts were amazing, and I encourage you to check them out on Facebook (<https://www.facebook.com/groups/1565804080339214>) and in this newsletter if you haven't seen them.

I would like to solicit input from our members on their ideas for continuing to build a stimulating, nurturing environment. I'd be particularly interested to hear your ideas for types of programs and classes, charitable activities and fundraisers. Please contact me directly or bring your ideas to a Board Meeting--the next one is right after our September 14 program. I'd also like your help in rebuilding our membership, which suffered from the pandemic shutdown and continuing health concerns. I encourage each of you to reach out to quilters who are not Bayside members to invite them to attend a meeting and see if it would be a fit for them.

We are getting closer to our November Handmade Items Fundraiser to support our many guild activities. I have been cleaning out orphan blocks and projects that I never quite finished, turning them into hot pads, table runners and pillows to contribute to the fundraiser. This is your chance to contribute to the guild AND make room for more fabric!

I'm looking forward to this next year, especially in getting to know all of you better.

Pat

TIME TO RENEW YOUR MEMBERSHIP

Use the coupon below

Due Sept. 16!!!

Dues for 2022-2023 are due! The Membership table will be open at the August meeting and again at the September meeting. Please bring a completed membership coupon along with cash or a check for \$50. Payment will not be accepted without a membership coupon because we are trying to make the directory as accurate as humanly possible.

You may also mail your payment and coupon to Bayside Quilters Membership Chair,
PO Box 2672, Easton, MD 21601.

A Request from Your Membership Chair

Dear Members,

I know we have all had a very busy summer and are now looking forward to quilting in the cooler months ahead. I am writing to you now to remind you of your membership renewal. Unfortunately, it looks like our numbers are dwindling and without your membership renewal, we will not be able to plan this coming year's activities and programs. Lisa Schober needs a current member count in order to work on a new budget for the 22-23 year.

Without your renewal we will not be able to have monthly programs, rent the firehouse, or continue as we have in past years.

Please return your coupon with check of \$50 to Bayside Quilters by September 16, 2022.

When attending a meeting, please wear your name tags to be included in the monthly drawing for a prize.

Thank you to those who have already renewed.

Getting MY Quilting MOJO Back

It's been a rough couple of years. I was very concerned about Covid. I don't like being sick. I didn't want to spread it to someone I loved or anyone for that matter. So I stayed away from crowds. Still do to some degree. But that also meant I didn't see my quilting friends.

Some quilters like Alice threw themselves into sewing and quilting and finishing those UFOs. I did little in the way of quilt making. I finished one top and made one baby quilt. I have been in a funk. But I really miss making quilts so I've decided it's time. I know many of you are starting to feel the same way.

I have been to a few meetings and intend to start attending regularly again. I helped my grand daughter put together a quilt top made from blocks found on the free table. I'm ready to start life again. I know Covid isn't over. But I know I have two vaccines and two boosters under my belt and I will readily put on my mask in any situation that makes me feel uncomfortable. I really believe I can become an active member again with a relative level of safety. If you still have concerns about attending meeting in person Zooming in is still an option. But if you are like me and feel you need to get back to some normal activities maybe it's time to try attending a meeting, class or camp again. Know that if you feel uncomfortable you can always leave and no one will judge you.

Mostly I just want to encourage anyone who has been on the fence like myself to consider venturing out and join me and other smiling quilters as we regain our quilting MOJO.

TALBOT COUNTY FREE LIBRARY EXHIBIT.

Threads Connect Us

We are a small group of fiber artists who meet monthly to share our work and offer constructive criticism in support of our growth as artists and makers.

Each piece measures approximately 18 x 24 and includes some amount of a blue hand-dyed fabric.* This process allows for beautiful shades and textures to appear and speak to each of our own creative natures.

*Provided by member Victoria McConnell using a technique known as snow-dyeing.

A library exhibit of works from our Design and Critique Bee.

This exhibit is the result of a challenge to each other in 2022. In our four years together, we have never collaborated to produce individual pieces using a set of parameters. The idea of a common project was born! Each piece measures approximately 18 x 24 and includes some amount of a blue hand-dyed fabric*. This process allows for beautiful shades and textures to appear and speak to each of our own creative natures. The pieces in Threads Connect Us represent our individual responses to this challenge.

*Provided by member Victoria McConnell using a technique known as snow-dyeing.
