Bayside Quilters
of the Eastern Shore

Website: www.baysidequilters.com
Facebook: Bayside Quilters of the Eastern Shore

Over the last 10 years members of the Bayside Quilters of the Eastern Shore have donated over 4800 quilts, 2000 mastectomy pillows, and hundreds of Christmas stockings and other handmade items throughout our community.

The guild members also support our longstanding commitment to education by voluntarily teaching sewing skills to the youth and adults in the surrounding area.

Our goal is to bring together people interested in quilts and to support and encourage the present day art of quilt making.

We welcome and encourage all to join guild.

The following list is a sampling of the organizations we donate to:

- Early Head Start
- Talbot Hospice
- UM Shore Regional Health Breast Center
- Caroline County family Support Center
- 4-H
- Talbot County Public Schools
- Veterans
- Senior Centers
- Humane Society

A-501(c)3 Non-Profit organization.
