JUNE 2024 Newsletter

## President's Corner

Thank you to everyone who attended the May meeting and voted to approve the new board for our 2024/2025 fiscal year! That board will be as follows:

President - Jackie Granger

Vice President - Lou Diefenderfer

Secretary - Karli Abbott

Treasurer - Lisa Schober with assistant Kris Smith

Programs - Sharon Miller & Marianne Hamilton

Outreach - Jan Bohn & Pat Massimini

Education & Preservation - Jo Verne & Lou Diefenderfer

As you can see, we will have a mix of returning and new members filling these positions. Thank you to everyone who served as a board member during this current fiscal year and those who have volunteered to serve going forward. Bayside could not continue without members stepping up to lead this wonderful organization. And that's true not only for these board positions, but also for all of the advisory positions and committee members that do a ton of work, often "behind the scenes." At last count, we have 15 additional members filling advisory and committee positions! There is always something to do to keep Bayside running, so please get involved if you can. Our guild will always benefit from a variety of experiences, histories, talents, and opinions.

You may note that this time we will have two members filling the role of Programs: Marianne who identifies mostly as a traditional quilter, and Sharon who has mainly a modern focus. Having the two of them working together to create our programs should be amazing. I know that they already have some fun ideas, and that they are open to any ideas that other members of the guild have as well. This is yet another way for each of us to get involved. This guild belongs to all of us, so let's all be committed to making it the best it can be.

Jackie

# Bayside Quilters Meeting Minutes

## April 10, 2024

The May meeting was called to order by Vice President Becki Combs at 9:30 am. There were no new members.

**Secretary's Report:** The minutes were approved as written.

**Treasurer's Report:** No Report

**Programs:** Becki reported that we had a good number of people sign up for Rachel Derstine's class, scheduled for later that afternoon. The June 12th meeting will be held at the Trappe Firehouse and we will have speaker Deborah Boschert giving a zoom presentation called "All about Art Quilts." That afternoon, there will be a trip to Covenant Quilting where Kathy Taylor will present a longarm demonstration. We ask that you would please give a \$5 donation if you would like to attend.

**Outreach:** Jan Bohn would like to thank everyone that has made mammo pillows for Outreach! There are still plenty of kits available if you would like to help. Pat Massimini has uploaded Outreach's new patterns onto our member's only website and they are free to download for anyone interested. Current outreach activities include mammo pillows, handwork, quilt kits, and more.

**Handmade Sale:** Pat has been working diligently to compile a list of what sold and what didn't from our November Sale. It is her plan to present this at the June meeting. It was suggested that we come up with a new, catchy name for the sale - if anyone has any ideas please contact Pat or bring them to the June meeting where we will vote. The 2024 sale is scheduled for November and a Makers Day is planned for October. It's never too soon to start on your projects!

**Voting:** The nominating committee made a motion for the following members to fill the Bayside Board positions for the 2024/2025 fiscal year, beginning in September:

President: Jackie Granger

Vice President: Lou Diefenderfer

Secretary: Karli Abbott

Treasurer: Lisa Schober

Asst. Treasurer: Kris Smith

Programs: Sharon Miller & Marianne Hamilton

Outreach: Jan Bohn & Pat Massimini

Educ. & Preservation: Jo Verne & Lou Diefenderfer

All were in favor and the motion was carried.

**Announcements:** Multiple drawings were held at the meeting. Our 50/50 winner for the month was Sharon Perry. Our 2 Name Tag Drawings for the "Snow Crew" and "Winter In Snowtown" panels were Mary Chaplain and Dael Cowdrey. Thank you to Katie Wyatt for donating our prizes!

A survey was passed out at the beginning of the meeting in regards to utilizing the extra funds from the handmade sale. We hope to gauge everyone's interest and report back at the June or July meeting.

**Show & Tell:** Several members showed their latest projects.

**May Program:** Following Show & Tell, Becki introduced our speaker for May, Rachel Derstine, who presented an exciting virtual presentation.

The meeting was adjourned at 11:30 am.

Respectfully submitted,

Karli Abbott, Secretary

# August Luncheon

Once again Alice Kish and Jo Verne are responsible for our social event: **The August Luncheon.**

In August we welcome the new officers and board and celebrate the start of our year. August Luncheon is always informal and at the firehouse with the guild providing a main dish and the members bringing either a salad or savory side dish or a yummy dessert.

We will have clipboards at the June meeting so you can sign up if interested (just to give us a head count idea) and to sign up to help with set up and kitchen duty.

As always Jo will be rocking a theme (TBD) and Alice will be hand wringing over details.

**This one is always a fun summer party so sign up !**

## **News from FACES**

The Fiber Arts center currently has a beautiful exhibit of members work. Several Bayside guild members have pieces in the show.

They also have an extensive list of classes this summer including a beginner spinning class and many appliqué classes.

### **Trappe Fire Company Sewing Camp Fundraisers**

**June 14-16**

**July 19-21**

All Camp times: 8am-8pm Friday & Saturday; 8am-4pm on Sunday

Donation price: 1 day \$25, 2 days \$40, 3 days \$50

For your donation you get: an 8 foot table, a chair and an extension cord.

Feel free to bring a small portable iron & ironing pad; we will set up several irons around the room. We have a few rulers & mats to use in the closet. If you want to set up extra tables, the rule is you take them down & please put your chair back on the rack–this just helps Sonny & me at clean up time.

Reminder: no perfume, smelly hairspray, or hand lotions as several of our quilters have severe allergies.

Feel free to bring snacks/lunch/dinner or patronize Coffee Trappe or Momma Maria's (food is excellent.).

Thanks, Lou Diefenderfer

# A Fiesta of Fun

Once a year Bayside Modern Bee and the Delaware Modern Bee meet for lunch. This year it was our turn to furnish lunch and the meeting venue. On May 5, Cinco de Mayo, we served tacos and all the good stuff that goes with those Mexican treats.

Julia Cohoon had a fun ice breaker. Our name tags were swatches of fabric, the idea was to guess the fabric designer while chatting with other quilters. The decorations were also very festive.

The visiting Bee chooses a small project for a gift exchange. Delaware Modern chose project bags. There was a lot of variety from our makers. We strutted our stuff by stringing up the pieces made from our 2023 Color Challenge. Of course, there was Show & Tell time. You won't recognize many of the people in the photos as they are from the visitors.

The Modern Bee meets at the Trappe Volunteer Fire Company the first Wednesday of the month at 6:30 pm-8:30ish. Members volunteer to present a demo/program each month. Volunteer contribution of \$5.00 for room rent.

# June 12, 2024: Deborah Boschert

## Zoom Lecture

### *All about Art Quilts*

What exactly is an art quilt? What can you look for in the art quilt category at a quilt show? Deborah will share an overview of art quilting materials and techniques. This is a great program for guilds who want to get a taste of the art quilting world... even if they make mostly traditional quilts.

Deborah Boschert is an artist, author and teacher. She creates art quilts with layers of fabric, paint and stitching. The personal symbols and details in her work reflect her experiences and feelings about places she's lived and the things she's done. In her art quilts, the tiny details are as important as the over-all design. As in life, every-day little joys complement the bigger adventures.

Her award-winning art quilts have been exhibited in quilt shows and art galleries throughout the United States and internationally. She has appeared on Quilting Arts TV and The Quilt Show. She is published in many books and magazines. Deborah is the author of *Art Quilt Collage: A Creative Journey in Fabric, Paint and Stitch*. Here are some of her quilts.

## **IN THE AFTERNOON FIELD TRIP! A visit to Covenant Quilting**

This is a trip to visit Cathy at Covenant Quilting who will discuss long arm quilting and explain some of the requirements and why they are necessary. She has 2 machines, one is automated and we will be able to see that in action. (Trust me, this is very fascinating to watch!) The other machine will be set up for you to do a hands-on demo for operating the quilting machine.

We are asking that a \$5 contribution be made to register your place for the event.

**July 10, 2024**

**Lecture: Cheryl See presents “Anatomy of a Quilt”  
(Specializing in Handwork)**

This lecture provides an entertaining comparison of anatomy and quilts. I hope to make you laugh, inspire you, and teach a little along the way.

**Selvages & Embellishment Half Day Workshop (\$40)**

**Take your quilt to the next level with hand embroidery  
and embellishment**

In this Half-Day workshop students will have made a block using selvages sewn by machine on a muslin backing. Lace, rick rack, and or ribbon will be sewn on in class. Hand embroidery stitches will be taught and used to embellish this selvsage block. Students are invited to bring other embellishment options (buttons, beads, etc.) if they wish to discuss placement to personalize their project when they get home.

**\*Prep before class:**

- Choose fabric for cutting your selvages or use from your stash. Choose an assortment of colors or one or two favorite colors
- Cut strips of selvages of varying widths of fabric showing (3/4" to 2")
- Lay selvages in rows or on diagonal overlaying finished edge over raw edges of strips. Sew together strips of selvages by machine onto a muslin backing to form an 8" to 12" block

**\*Alternate Prep for those who do not want to use selvages or  
are in a time crunch**

- Substitute the selvsage block with a striped fabric of your choice. I would suggest one with varying widths of stripes for variety.
- Students who have not done prep for class are still welcome. They just may not have the block done in time to embellish block with trim or practice embroidery stitches.

**These are in-person events!**
