# Table Talk

## June is Tools

This month our Stash Reduction tables will be for TOOLS, such as the rulers you bought at a quilt show and never use, UFOs you don't want to finish, KITS you bought and never did, BLOCK OF THE MONTH commitments that just kept coming, and PATTERNS that are an unfulfilled prospect. Remember, you can either give them to me to sell for Bayside or you can sell them yourself. There will be bargains so bring your checkbook or smallish currency! June is busting out all over so organize your sewing space and see what you need for a productive summer!

July our theme will be Christmas in July. Christmas fabric, patterns, books will all be sold. I even have some Halloween fabrics that will be snuck in. This gives you a head start on sewing for the Handmade sale or your own Christmas projects.

August will be our lovely luncheon and we will have a BIG Stash Reduction sale with no theme but lots and lots of fabric kindly donated by Esther Montgomery and many others over the last months. And, of course our free table will continue to yield that bit of sourdough starter you might need for your next project.

## Bayside Quilters Meeting Minutes
**May 13, 2026**

The May Meeting of the Bayside Quilters of the Eastern Shore was held at the Trappe Volunteer Fire Company. A quorum was present in person. President, Lou Diefenderfer, called the meeting to order at 9:30 a.m.

Announcements: Lou announced if the meeting runs until 10:00 a.m., we will stop and allow our speaker, Ricky Tims, to present his program. After his presentation we will resume the meeting. Lou was excited to introduce four new members: Pat Heilman, Lisa LaCourse, Janice Lumb and Lorelei Miller. We had one visitor, Holly Short.

Secretary's Report: The minutes were approved as written.

Treasurer's Report: Assistant Treasurer, Kris Smith, provided an update of the guild's financial status. She mentioned the SRS, Alice's Sale, is doing really well. The guild is doing very well.

Committee Reports:

Outreach: Pat Massimini and Jan Bohn provided an update on the number of quilts, pillows and pillowcases donated to Hospice and The Hole in the Wall Gang Camp. We will start donating pillows to Anne Arundel Medical Center for post mastectomy patients since our local hospital no longer provides this service. Outreach is still looking for fabrics and quilts for men. If you have either that you would like to donate, it will be greatly appreciated!! Pat also announced, if you will bind five quilts, Outreach will longarm one throw size quilt for you. This is a win win for you and our longarmers!!

Programs: Sharon Miller and Marianne Hamilton provided an update of the upcoming programs and workshops. More details in newsletter. They are still working out the details for the upcoming challenge. All log cabin quilts will be shown and judged during the July meeting.

Membership: Four new members, that is amazing!! Please take your pink directory if you haven't gotten it.

Let's Celebrate America, 250th Anniversary: Nita Brayton reminded all members that their quilt entries are due nlt May 29th. These quilts will be displayed at the Easton Library from June 1st thru August 28th.

Old Business: We are still looking for Program Leaders for 2026-27. If you are interested, please contact Sharon or Marianne. If there aren't any volunteers, there won't be any programs. Thank you Morna for speaking out about the impact of volunteering on you personally and taking responsibility for helping to grow our guild. The SRS, Alice's Table, will have UFO's, kits, blocks and tools. Please come prepared to be amazed and purchase some of those unfinished projects. You might even find a tool you've been wishing for. Molly Kraus and Kin West are planning the August Luncheon. Patti, Marianne and Sharon are planning the December Luncheon. There will be more about these fun events at the next meeting.

Programs: Ricky Tims presented "The Visitation: A Quilt is Born".

Show and Tell was pretty exciting. We have such talented quilters in our guild!!

Prize Winners: Prize drawings were provided for Outreach participants and Show and Tell!! Congratulations to the lucky winners. We are grateful for the donated fabrics from Katie and Jaftex for those wonderful prizes.

Meeting was adjourned by Lou at 12:00 p.m.

Respectfully Submitted, Patti DeWitt, Secretary

# Getting Close to our July Jubilee Here's the Scoop!

It's getting close. July 8 will be here before you know it! So, keep working on that challenge quilt, but remember it can be a top (unquilted, unbound) as long as it has one obvious log cabin in it and is at least 144" in circumference.

We have changed the logistics a bit, but July 8 is still the deadline for entries. Your quilt MUST be brought to the July 8 meeting between 9 and 9:30am to be registered in the challenge. You do not have to be there, if you can't make it for some reason, but your quilt must be at the meeting to qualify for judging.

We will not be identifying quilts with their maker. They will be shown anonymously for judging purposes. The winners will be selected from the quilts shown on July 8, but the winners will not be announced until the August Luncheon. We encourage everyone to bring their quilts back to the Show and Tell at the luncheon where the winners will be announced and the swag bags and winner gifts will be given out.

Remember. If your quilt is not registered at the July meeting, you are not eligible for a swag bag either!

# Modern Log Cabin Quilts Always Thrill!

### By Khristine Lundblad—Adapted from Quilting Digest

The Log Cabin quilt is a classic. This pattern has been embraced by people everywhere—from exquisite Amish examples, Gee's Bend variations, and the humble and exotic from all over the globe, the Log Cabin has demonstrated its versatility, utility, and timelessness.

Quilters embracing the Modern Quilt Movement have also dived deep into Log Cabins with incredible results. One of our all-time favorite modern quilts is "Modern Log Cabin" by Tara Faughnan. Tara is a teacher, designer, color expert, phenomenal quilter—and a really charming person! Tara's roots are in traditional quilting but her design sense is totally modern and refreshing. This is a truly classic pattern that is made new with Tara's excellent color choices.

Speaking of color, we love the color choices and block arrangement of "Modern Wave Quilt" by Natalia Bonner and Kathleen Whiting. The bright and happy colors alternate with white strips in these Quarter Log Cabin blocks. You can choose from many quilt block designs when arranging this quilt but the alternating layout of the blocks in Natalia and Kathleen's quilt creates an amazing, secondary design of diagonal zigzag 'stripes' that is so fun and energizing. Is it true that when two quilting artists combine their talent, their joint effort is twice as good? It's possible.

"Every Which Way" by Denise Russell uses a paper-pieced variation on a traditional Log Cabin-style Pineapple, and the placement of color creates the impression of arrows moving in all directions. We love the asymmetry of this design, leaving ample negative space on each side of the single column of blocks to showcase remarkable quilting.

Denise is a quilt pattern designer, writer, and blogger. After making 12 Log Cabin quilts in a row more than a decade ago, she became hopelessly hooked on quilting. Denise spends hours in her studio translating her passion for color and texture into an eclectic collection of quilt designs, published regularly in books and magazines. This particular pattern is a favorite of mine from her work.

Our collection of patterns, called "Modern Log Cabin Quilts Bundle," is sure to spark your interest and get those creative juices flowing. The collection include the quilts mentioned here plus: "Boo's Nursery" by Kristi Loeffelholz "Sunset Star" by Felicia T. Brenoe "Fractured Flower" by Wendy Sheppard "Somewhere in Indiana" by Laura Piland Grab your own copy of this collection here. For some Log Cabin history and inspiration, we highly recommend this delightful post from renowned quilt collector Gerald Roy with his thoughts on this iconic quilt design.

And here's another artful and contemporary Log Cabin block,"Untitled" by Cindy Grisdela, made from scraps and strips. Download instructions available in the April/May 2018 issue of *Quilting Arts Magazine*.

So many beautiful modern Log Cabin blocks, so little time.

## Daisy Aschehoug

## “How Materials Influence Design”

I'm Daisy Aschehoug, and I'm an American living in Nesodden, Norway.

I've been designing quilts for magazines since 2016, and most of those quilts incorporate some element of curved piecing into a modern traditional design aesthetic. In 2020, I published my first book with co-author Heather Black, Quilt Modern Curves and Bold Stripes. My second book, Quilting with Curves, was published in summer 2023.

I have a masters in Environmental Studies from the University of Montana, and I spent several years in the United States helping federal and state governments work with communities to develop best practices for managing natural resources. Now that I am fully immersed in designing, making, and teaching the art of quilting, I'm excited to explore how the resources I use in my craft can reflect socially and environmentally sustainable practices. And I'm always looking to share the joy of quilting with a diverse audience.

Part trunk show, part slide show, and part story hour, this lecture contains my life history for the past decade and a half in quilting. I share details on my design inspiration, a walk-through of my digital design process, and describe the how and why of the most important moments in my quilt career - good and bad. You'll also get sneak peeks at current projects that I'm not posting on social media. It's a fun hour full of stories and colorful quilts.

Participants will enjoy quick progress with the optional, precut quilt kits available exclusively in this in-person workshop. Choose between the original Northern Lights colorway (pictured here) and other bright arrangements. (available upon request). ## July 8 9:30AM

## Lecture—"Modern Before Modern"

### What comes to mind when you think of Modern Quilts?

In this lecture, we'll take a fresh look at unexpected modernism in quilts made long before the Modern Quilt Movement began. From the early 1800s through the 1980s, we'll explore quilts that echo many of the design elements we now associate with the modern aesthetic. This conversation invites us to uncover the deep roots of our collective quilting journey—and to swoon over some tantalizingly modern antique quilts along the way

## Workshop

**July 8-9**

**Wednesday 1PM–5PM & Thursday, 9AM—4PM**

**Maximum 20 Students  $75 class fee  Lunch Included both days**

**(These are Tara's 2  top classes which are $85 each at quilt shows. We've combined them into 1 class for just $75)**

## Legacy Wheel + Mixing Prints

Gentle curves, bold blocks, and endless possibilities.

The curved seams in Legacy Wheel are soft, approachable, and perfect for anyone new to curved piecing. If you're already comfortable with curves, you'll love how smoothly these blocks come together—no stress, just rhythm and flow.

Each block finishes at a striking 24 inches, so you can create a statement-size quilt in surprisingly little time.

In the Mixing Prints Masterclass portion, you'll learn how to move beyond the "matching" mindset and start combining fabrics from different designers, collections, and eras with ease. We'll explore how to mix color, scale, and motif in ways that feel intentional, personal, and just a bit daring. You'll never look at fabric the same way again!

This workshop blends construction and design work. Students practice accurate piecing techniques while also developing a clearer approach to fabric selection and print mixing. Together, these skills create a strong foundation for expressive, confident quilt making.

This workshop suits quilters new to curves as well as experienced makers seeking a focused, skill-building project that goes together quickly and delivers a bold, big-block finish.
