

**MARCH 2020 NEWSLETTER**

## *President's Corner*

Greetings, Quilters!

We had a brief sample of spring weather, inducing me to leave the organizing project of last month behind and venture away from the sewing machine. I did manage to get organized enough to participate in Alice's class and finish one block, with another one set cut out and organized. With the chill in the air returning, I may get back to work on this project sooner than later! Not only did the class participants make color blocks for the class, but there were several quilters that used themed fabric to assemble the block with a variety of colors in a specific theme. Some of us chose to exchange color strips to add variety to a particular color block already in progress. As always in the classes, the participants add so much creativity and I come away with new ideas, and another UFO! But I hope to keep track of them and try to keep my quilty ADD in check;).....

The turnout for the Outreach sew-in was very well attended with many hives of activity, tables filled with machines humming, other areas of hand sewing and overall goodwill for a good cause. Thanks to Chris, Michelle and Kris for the lunch, to Katie Wyatt for the prizes and to all who participated.

Looking forward to seeing you in March! Happy Quilting!!

*Liz*

## BAYSIDE QUILT GUILD

February 12, 2020

WOW! What a fabulous turnout we had for Sew In. Several estimates came in at 65-70 ladies. We sewed, sewed, stuffed, talked, laughed, ate and sewed some more! A fabulous lunch was provided by Outreach's in-house caterers, sweets and treats were brought in by members. The brown bag drawing was a huge success! Who doesn't like new fabric and Hershey kisses! A grand time was had by all.

Now for the boring statistics: Since January 1, 2020, Bayside members have made and delivered to our community organizations: 46 completed quilts, 31 Veteran's Pillows, 28 placemats & bowl cozies, 36 burp cloths, 1 receiving blanket, 59 small pillows. We currently have approximately 30 quilts waiting for handwork, 63 tops to be quilted and 85 small pillows to be delivered. Plus, there are many quilt kits and handwork that went home with members and will be returned to Outreach. Ladies and gentleman, thank you so much!

**Bonnie Dwyer**

Bonnie loves to share her quilt and fabric collections, quilt history knowledge, and her quilt making expertise with interested groups, whether it is a hands-on workshop, a display of historic quilts, or a themed trunk show.

Bonnie is traveling from central Maine to share her story!

### **A Century+ of American Quilts**

This trunk show includes examples of quilts from mid-19th through mid-20th Century. Bonnie brings a minimum of 25 quilts from her own collection that are representative of American quilting trends spanning 100 years. Participants are urged to bring quilts for discussion.

**Special price \$20 for National Quilt Month**

**\*\*\*Trappe Firehouse\*\*\***

**Bonnie Dwyer**  
**Pickup Stix**

This fun nine-block wall hanging top can be completed in an afternoon. The slashing technique can be simple, as shown here, or made more complex by adding a third or fourth “stick” in each block. Or, you may decide to piece the “sticks” to add interest. The pictured quilt was made with all solid fabrics, but a different look will be achieved by using prints. It’s your choice!

It helps to bring your sense of play to this workshop. This is very much an exercise in letting go of one’s desire for precision piecing! It’s best to approach this workshop with an open, free-wheeling attitude! This

**NOTE: If a class is not sold out two months ahead, it will be opened up to other area quilt guilds. This policy will apply to all classes going forward.**

**Marisela Rumberg**

**"Quilt Your Own Quilts"**

If you don't want to keep sending your quilt tops to someone else to quilt them, this workshop is for you. I will teach you all my tips and secrets for you to be able to quilt your own quilts at home in your domestic sewing machine. Learn the

difference between Walking Foot Quilting and Free Motion Quilting and never be scared again of ruining your quilt tops.

The class combines both walking foot and free motion quilting techniques.

**Trappe Firehouse**

**Gyleen Fitzgerald**

**“Modern Free Wheeling Circles”**

Modern and bold stitched with speed and ease with an extra curve or two. Is that possible? This is my 2017 Iron Quilter Challenge design. Learn the raw edge technique to achieve perfect "stress-free" curves without piecing. Experiment with different layouts to produce a unique design.  
Game on!

## They Couldn't Vote, but...

### "1920 Challenge"

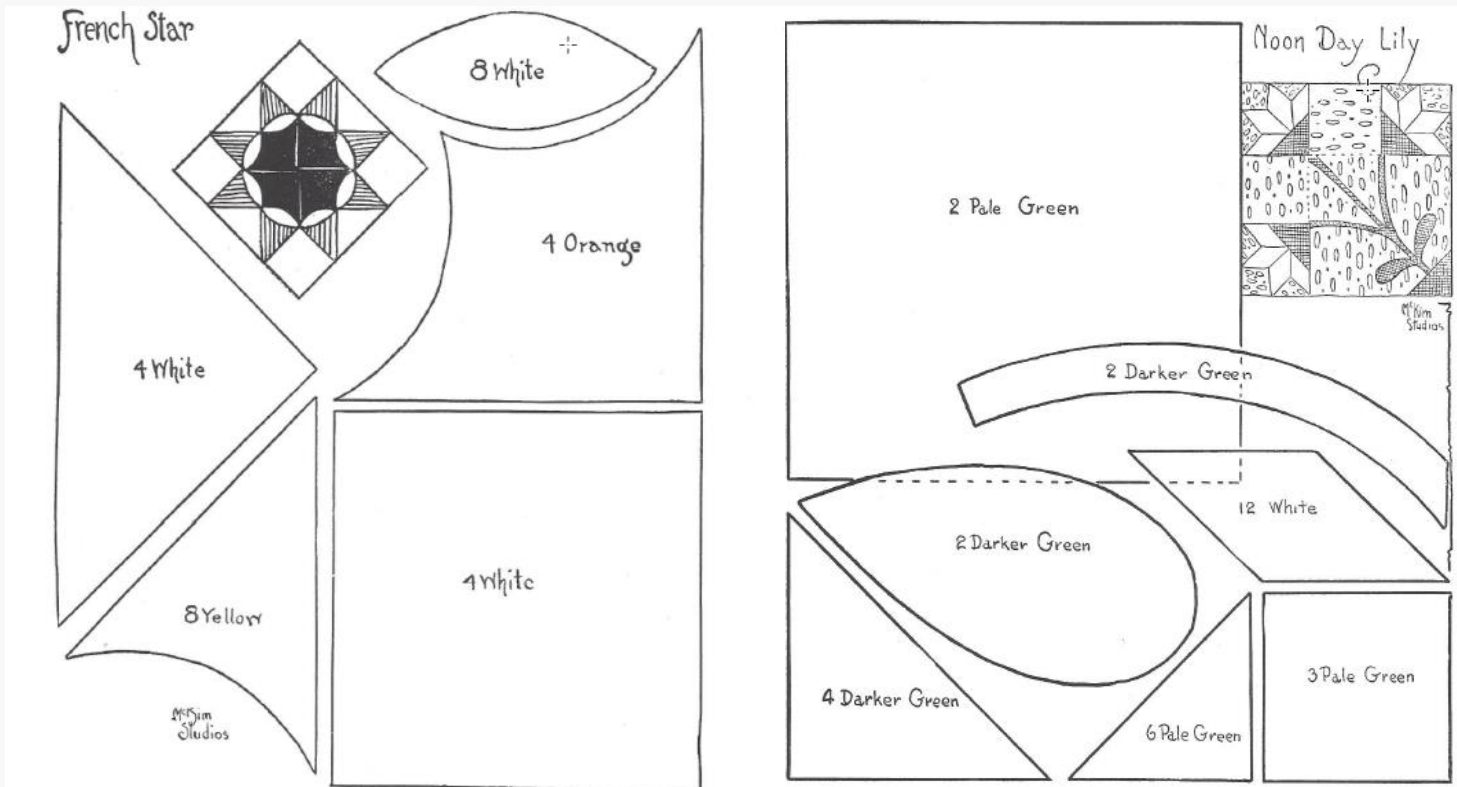

In honor of this year being the 100th anniversary of women's suffrage, Bayside is inviting all members to participate in a quilt challenge. Your challenge leaders have selected 15 period blocks, both pieced and appliqued, and we invite you to adapt, interpret or reproduce one or more of these blocks in a small challenge quilt.

The only parameter for the challenge other than the blocks is the quilt size. It must be **no bigger than 160"** in circumference, e.g., 40"x40," 20"x60," 30"x50," a 50" diameter circle, a hexagon with 25" sides.

The due date for the entries will be the August regular meeting event. The entries will be judged, and there will be prizes for the top three winners. So get those creative juices flowing and join the fun celebrating our hard won right to vote!

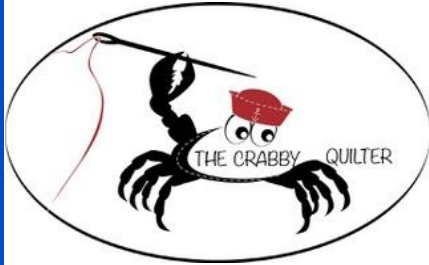

The chosen blocks will be sent to all members in a separate email. When you get it you will see that they are "old time patterns" from a long out-of-print book, *101 Patchwork Patterns* by Ruby McKim. Be sure to read the descriptions!

## MARCH OUTREACH NEWS

Dear Chris,

Attached is a photo of a veteran and his daughter. I did a Veteran Recognition for him last week. His daughter happened to be visiting from California. They were both very appreciative of the quilt that Bayside Quilters made. Thank you to Bayside Quilters for all you do for Talbot Hospice. Brenda Stone

It Takes a Guild to Create a Quilt (from Talbot Hospice)

(Yes, they put Chris on the Hearth)

Members of the Bayside Quilters have done just that by sewing this gurney quilt for Talbot Hospice. The pattern - Stars & Stripes - was donated by a guild member and was modified to fit a gurney. The result of many skilled hands is a stunning quilt to be used for Veterans being transported from Hospice House to the funeral home. Many thanks to all

the members of Bayside Quilters who lovingly stitched this beautiful work of "heart" for us. Talbot Hospice.

Bayside Quilters do great things for our community! Please join Outreach Bee on the 4<sup>th</sup> Wednesday of each month at the Immanuel Lutheran Church, 7215 Ocean Gateway, Easton, MD, 10 AM - 3 PM, brown bag lunch. We accomplish much but mostly we have a great time.

Brief reminders: Outreach is also a beginner's bee. If you want to learn a process or technique, let Michelle or Chris know and we'll pair you with someone to help you. PLEASE press your completed tops and trim all your threads so your top is ready for the person who is going to quilt your top.
